## Field Trip Permission Slip

SAGE Academy loves hands-on learning! For this purpose we are continually looking for supplemental learning opportunities. This means field trips at least once a month- more for lower grades & Summer Program.

I, hereby, give permission for my child \_\_\_\_\_ (name) to attend SAGE Academy field trips throughout the \_\_\_\_\_-\_\_\_\_\_ (School Year/Summer Program).

I permit my child to be transported to the destination by a SAGE faculty member, volunteer, parent chaperone or hired bus/transport driver.

My child needs to ride in a booster seat. YES. NO. (circle one)

I will be informed of field trips by means of the school calendar, teacher/faculty communication or school website.

I understand that occasionally, some field trips may cost an addition fee, separate from tuition.

In case of emergency, I permit a responsible person to administer first aid to the appropriate degree necessary. I understand that I will be contacted and informed of such actions.

I am able to withhold my child from any field trip or field activity I wish. In such a case, my child will be given alternative study activities, or, if the whole school has attended the field trip, I may keep my child home for the day.
