I also understand that Sage provides several options for these classes to fit my child's interests and academic level. I understand that, if transferring in, I am required to provide a copy of my child's transcripts in order to receive credit for classes completed at previous a establishment(s). _____ (Initial)

(High School) I understand that my child's High School education will be completed at their own pace. This means they may take less than, exactly, or more than a year per grade level. I also understand that my child is expected to *complete* a course of study to receive credit for that course. _____ (Initial)

I understand that if my child falls behind, it is my job to work with my child and my child's teacher to ensure my child is caught up. This may include completing some work at home and/or tutoring. I also understand that my child is free to move ahead of schedule. Should my child complete all of the assigned work for their grade before June, the above Summer options apply, including the option to begin the next grade level early. _____ (Initial)

***Enrollment Agreement - Success Together!**

Why year round? A) Life is year round. If you have enrolled with us before, you know that our goal is to help your child become secure, confident, and ready for life. B) Children thrive with consistency and predicability! We are a group of consistent and trusted adults creating a structured and predictable environment for your growing/learning child. C) Social Skills / Teamwork. Although we continue their academic development through the Summer, the focus is on their social development. D) Teachers do not need to spend the first month of the school year *reviewing* previous material. E) No boring Summers! Our Summer Session is loaded with weekly field trips and activities. If you would like to explore Horse Camp or Lego Camp, do it! We only ask that we remain your home-base for Summer while enrolled.
I understand that SAGE Academy is a year round program. _____(Initial)
